

Marshall Vente Band – Letter of Recommendation – Kretchmer/Gunning

Thursday, January 11, 2007

Dear Marshall:

I know that Valerie wrote you, but I wanted to as well. You and your band were terrific at the Kretchmer-Gunning wedding reception on December 30. Your charts were great, the band was tight and well rehearsed, and your selection of numbers kept people on their feet and dancing. And, that's the idea, isn't it? We had so many people tell us how great you and your musicians sounded. I think I barely sat down once dinner was over.

Your solo piano during the meal was wonderful. The string trio for the ceremony and the cocktail hour were a delight and just right. I was amazed that you only took one break.

And, it was an incredible small world experience to have you walk Chip up to me and reintroduce us! He and I played in a pit band at a show in college once, and we lived in the same dorm freshman year. Who knew?

Thanks again, Marshall. It was great working with you. Happy New Year.

Best regards,

Keith Kretchmer

We really enjoyed your music at our wedding last night. We got lots of compliments from our guests. You did a great job of keeping people dancing and engaged. The dinner music worked out really well.

Have a happy new year. Feel free to use us as a reference.
